We are conveniently located near the San Jose International Airport between highways 101 and 880. the office is on North First Street between Trimble Road and Bonaventura Street--just across from the Bonaventura light rail station. The building is handicapped accessible and the office is located on the first floor, Suite 108.

Driving Directions

From HWY 17

Take the 101 exit going north towards San Francisco. Take the third exit, Trimble Road (it only goes one way...the opposite side of 101 from the airport). Go to the third traffic light...North First..turn left. Turn right at the third driveway on the right. The building is on the corner of Bonaventura and North First, so if you miss the driveway, turn right at the light and circle back around the building.

From HWY 101

Take the Trimble Road exit (it only goes one way...the opposite side of 101 from the airport). Go to the third traffic light...North First..turn left. Turn right at the third driveway on the right. The building is on the corner of Bonaventura and North First, so if you miss the driveway, turn right at the light and circle back around the building.

From HWY 87

Take 87 past the San Jose Airport to North First Street and turn left. Go to the second traffic light...Trimble...and proceed through the intersection. Turn right at the third driveway on the right. The building is on the corner of Bonaventura and North First, so if you miss the driveway, turn right at the light and circle back around the building.

From HWY 880

Take the Montague Expressway exit (toward Mountain View). Once you are on Montague, get into the left lane. The second traffic light has a three lane left turn onto Trimble. Turn left on Trimble. Go three traffic lights to North First and turn right onto North First. Turn right at the third driveway on the right. The building is on the corner of Bonaventura and North First, so if you miss the driveway, turn right at the light and circle back around the building.

From HWY 280

Take the 880 exit (toward Oakland) until you reach the intersection of 880 and 101. Head north on 101 towards San Francisco. As you near the vicinity of the San Jose International Airport, take the Trimble Road exit (it only goes one way...the opposite side of 101 from the airport). Go to the third traffic light...North First...turn left. Turn right at the third driveway on the right. The building is on the corner of Bonaventura and North First, so if you miss the driveway, turn right at the light and circle back around the building.
